Our History

Hick'ry Stick is a Christ-centered company that excels in providing high quality comprehensive food service and product lines to our customers, and substantial employment opportunities in the communities we serve. We began in 1995 with Ron and Mary

Foster preparing smoked meats for family and friends. Soon, however increased demand turned a relaxing pastime into a profitable business venture and Hick'ry Stick was born. Later, the Fosters converted their basement into an industrial kitchen and administrative office. In 1998, the company launched its vendoring business, and since has become a staple for events along Peoria's Riverfront and in surrounding areas for such events at Steamboat Days, Taste of Peoria, Jazz Fest, Gospel Fest and a host of others. Hick'ry Stick is one of three preferred caterers at Peoria's iconic Gateway Building. In 2009, the Fosters decided it was time to expand and bought their McClure location, and in August 2010, the Hick'ry Stick Cafe & Carry-Out was opened.

Not long after, the opportunity to expand to Elmwood was presented and the family could not pass up the beautiful Parkview building. The Elmwood location is now home to a new restaurant, bake shop and banquet hall for Hick'ry Stick. We would like to thank God, our friends and family, and of course our customers. Without any of the above, our continued growth would not be possible. May God bless you and your families richly.
